Commissioner Brian Burick  
Lawrence County Courthouse  
430 Court St. / New Castle, PA 16101

**RE: REIMBURSEMENT REQUEST / ILLEGAL SALE  
JANE STICKLE'S HOME / 1211 N. Mercer St.**

Dear Mr. Burick:

Mr. Burick, I made several attempts to learn the identity of the person who signed a USPS receipt as "J Lover" who INTERCEPTED & WITHHELD my appeal letter causing me to miss the deadline to get back my mother's house. I have been in shock since State Representative Aaron Bernstine stepped up on May 11, 2023 posting on Facebook a comment saying,

"After a full investigation, it has been determined this is an alias for Josh Shapiro.  
He was working undercover in the courthouse."

**AT THIS TIME I AM REQUESTING RESIGNATIONS OF THE FOLLOWING BE DEMANDED:**

- PA Governor Josh Shapiro
- Lawrence County District Attorney Joshua Lamancusa
- PA State Representative Aaron Bernstine

Per Bernstine's confirmation, I am also requesting the County to please issue \$170,000 as soon as possible to compensate me for the loss of my mother's \$212,000 home sold illegally in April 30, 2021's Countywide Tax Sale as it has led to the Foreclosure of my own home. Receiving this reimbursement is the only means I have to maintain shelter for myself.

I am requesting this be issued to me immediately for her 1211 N. Mercer St. home, sold 180 hours after Jane Stickle's death in which former Commissioner Morgan Boyd admitted:

- the County never notified me the Sale would occur
- he "discussed with DA Joshua Lamancusa my mother's situation" who was made a victim of Probate Rape by the DA and his father's partner/Attorney Piatek having:
  - STRIPPED Jane Stickle from her home
  - ISOLATED her from those having ability to advocate for her
  - via FAKE COURT ORDERS while they
  - PILLAGED HER ASSETS
